ADVISER: MR DUSSAULT

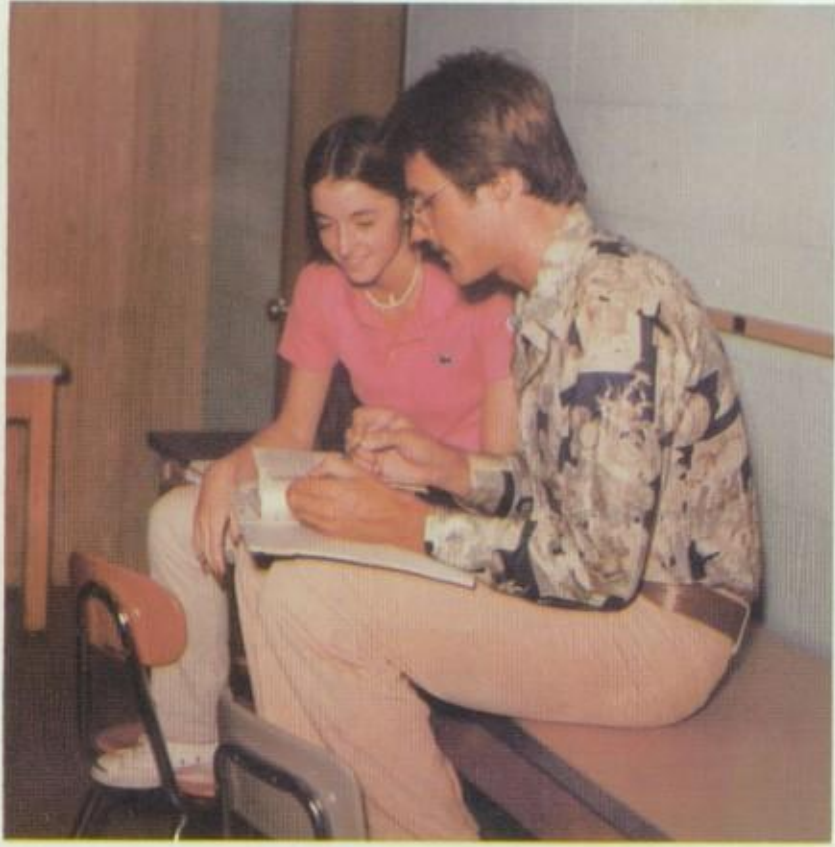

You helped us through difficult times of our lives with an ever-ready smile and a guiding hand. You were our teacher, advisor and most importantly our friend. We came to you with our problems, and we could always depend on you.

In appreciation of your time and devotion We, the Class of 1977, dedicate our yearbook to you, MRS. SUSAN SEYMOUR.

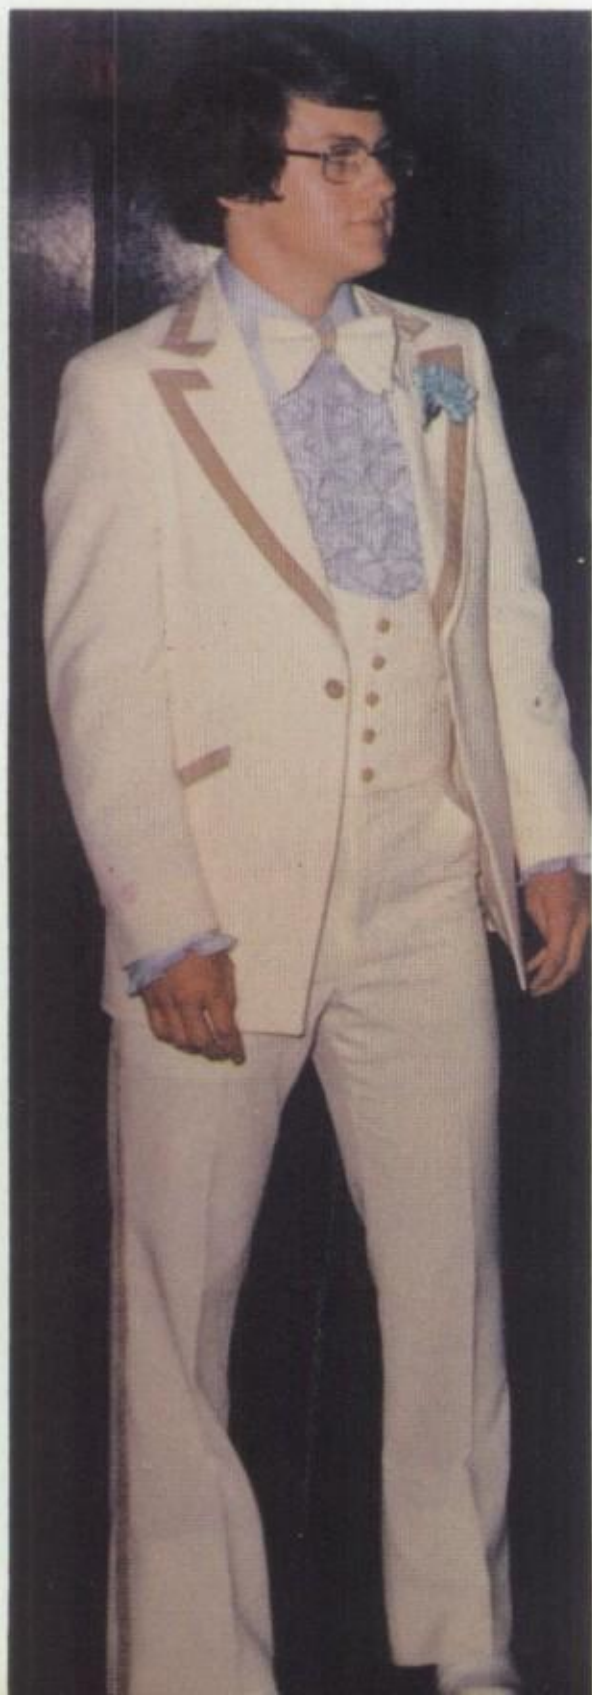

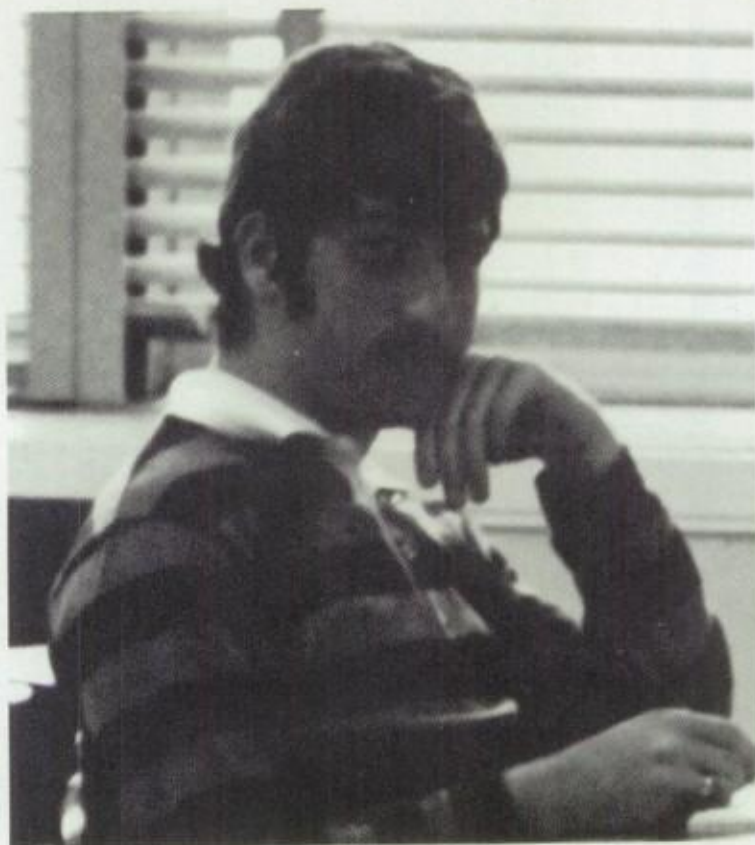

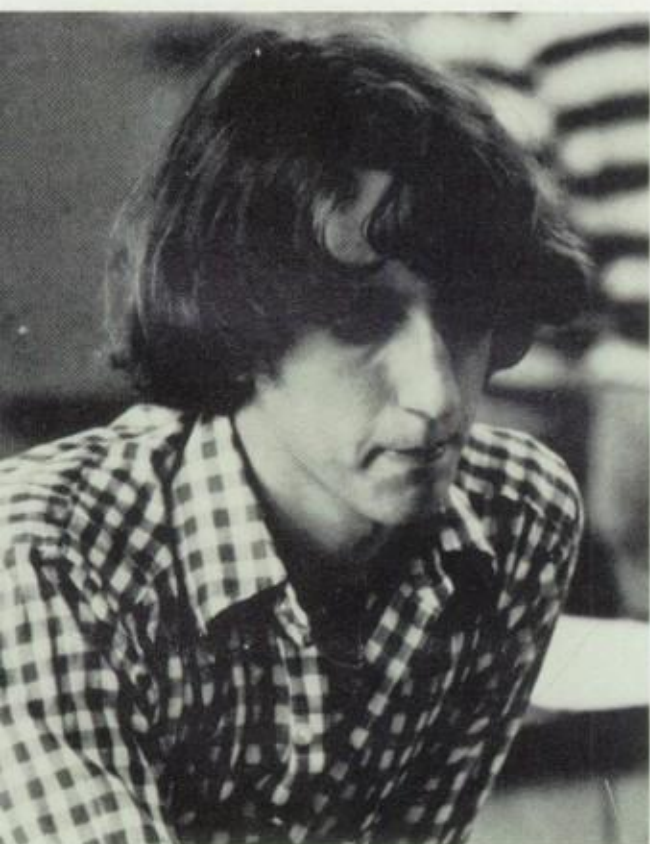

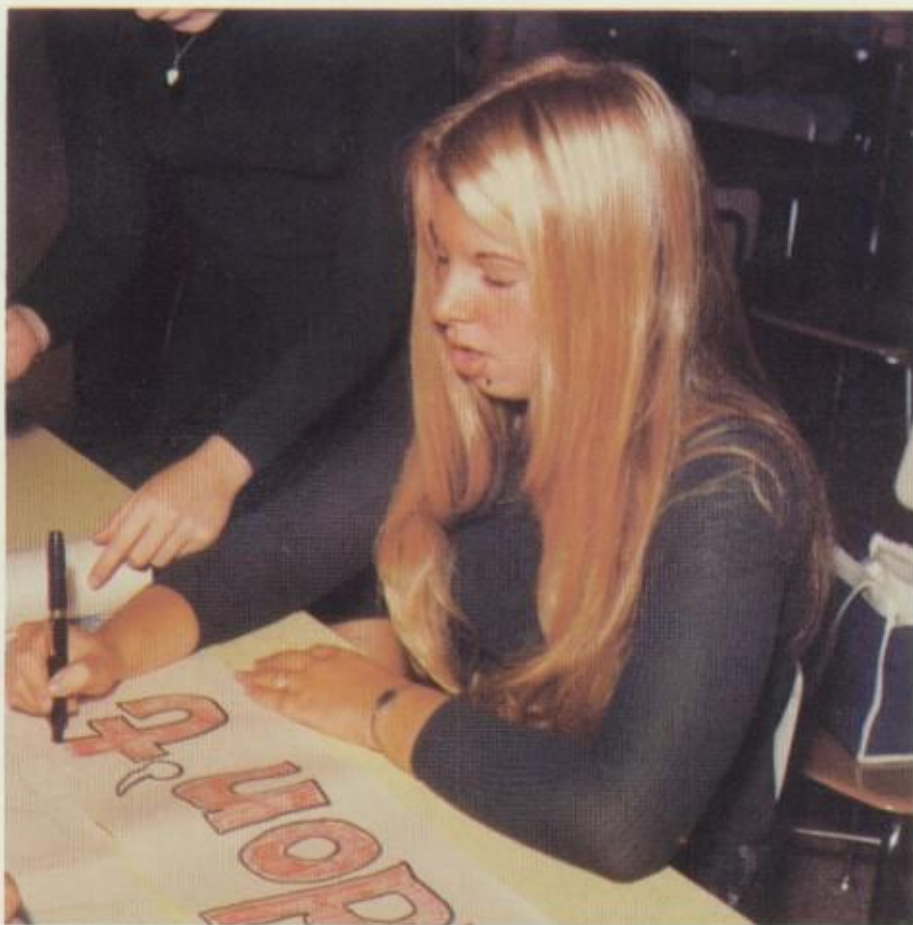

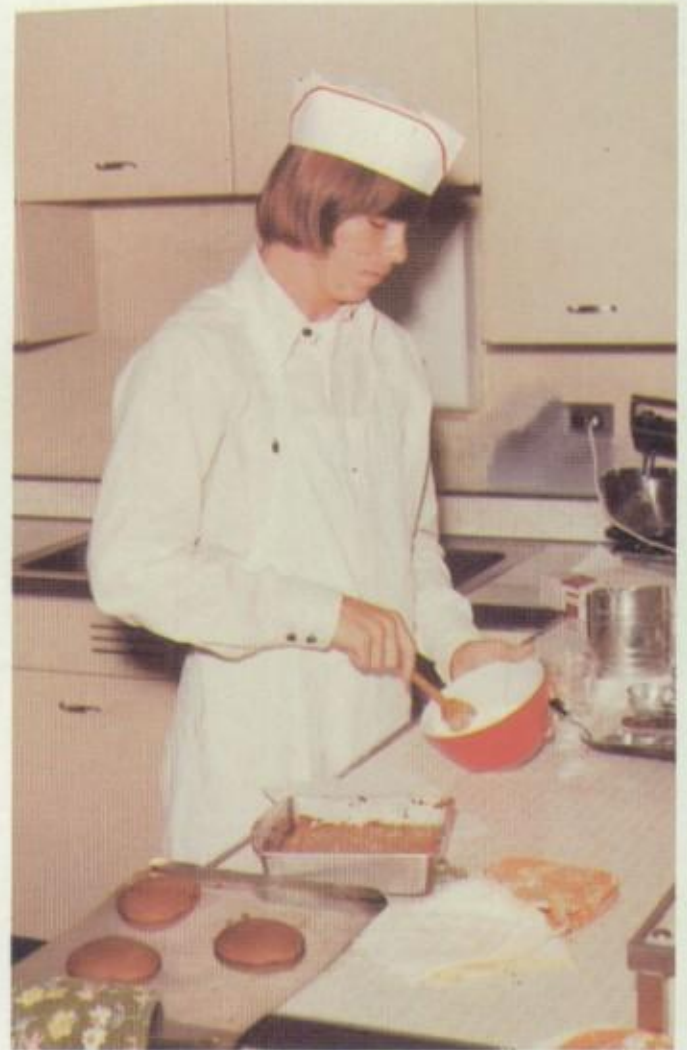

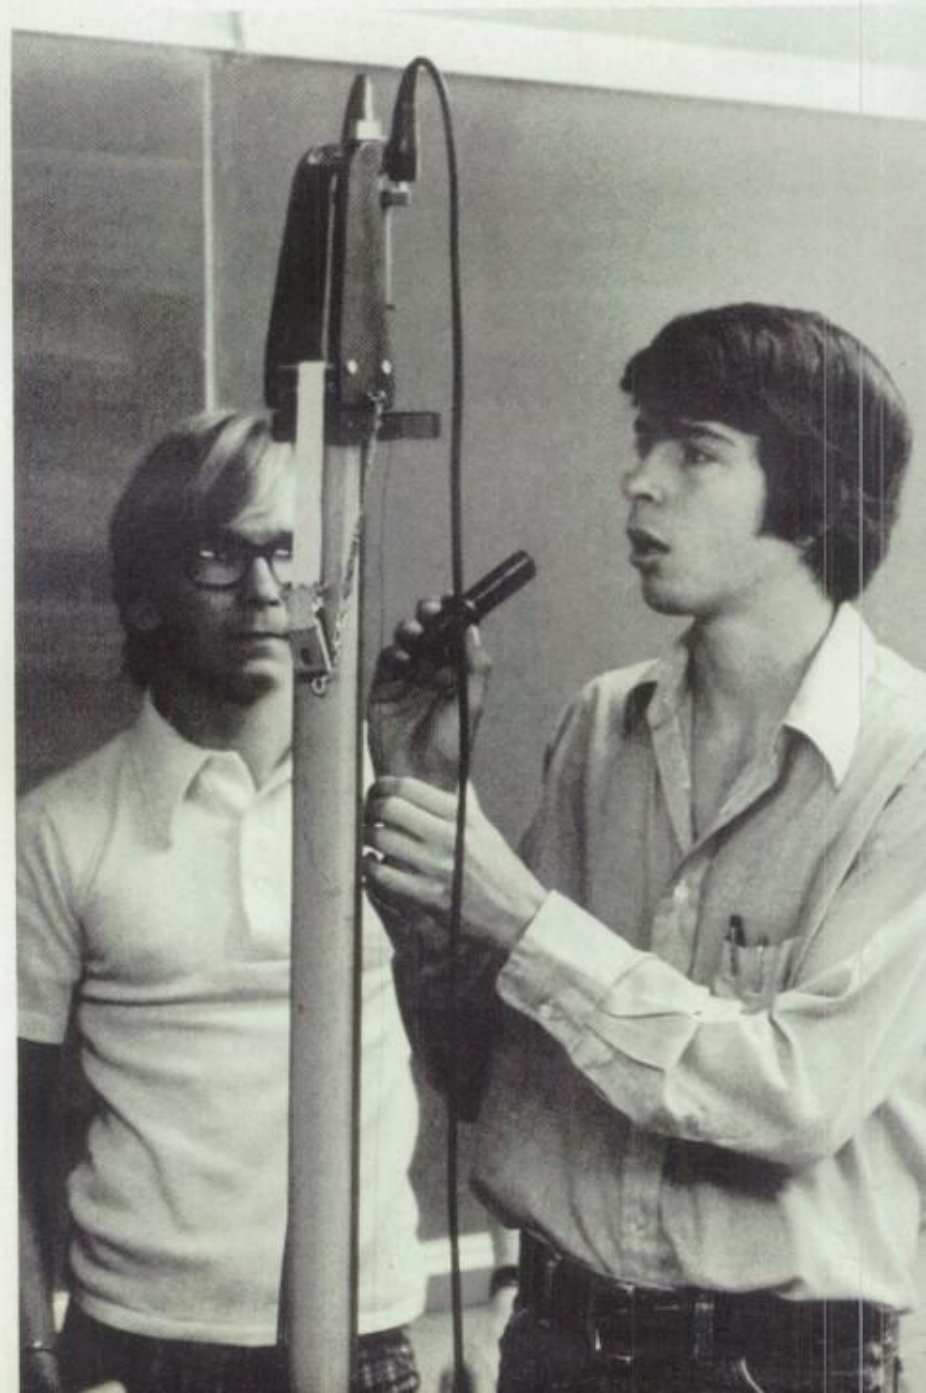

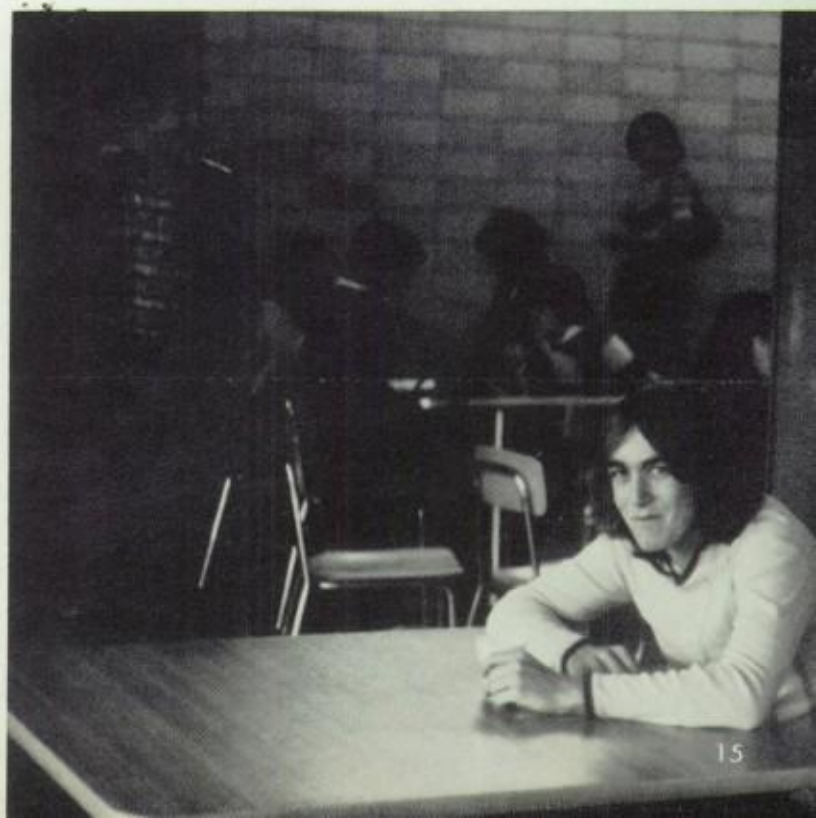

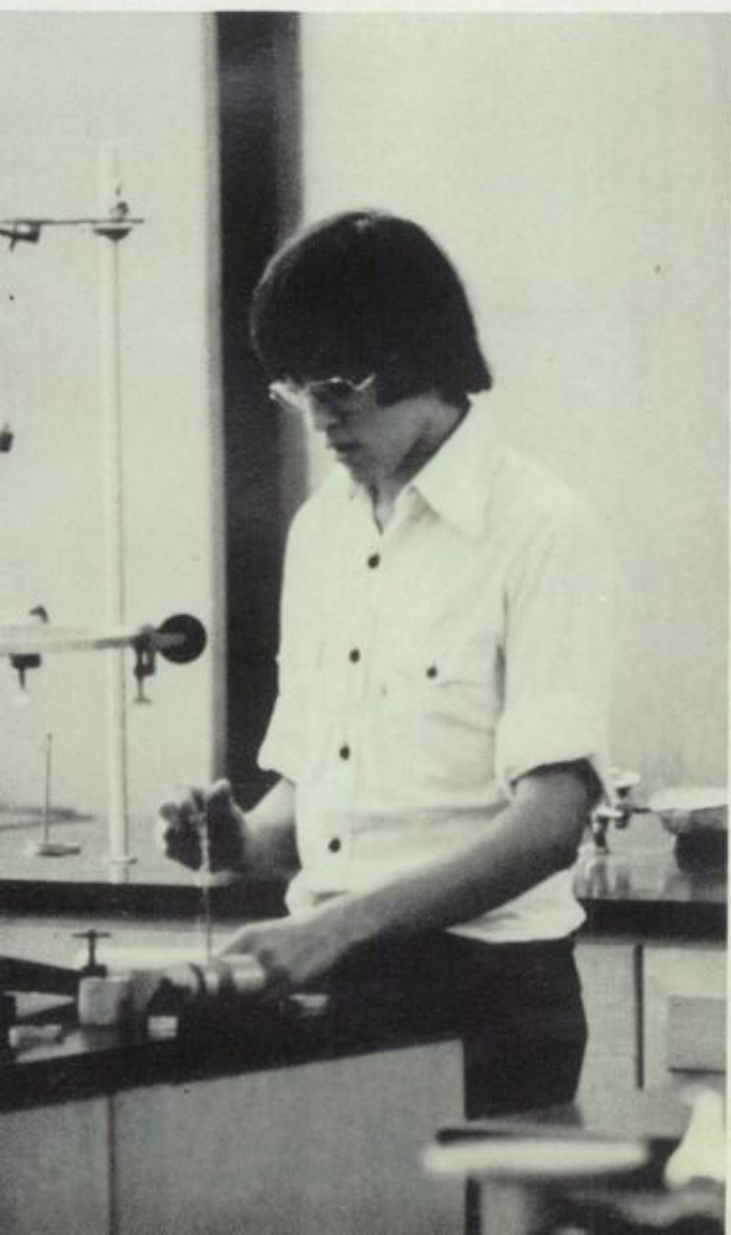

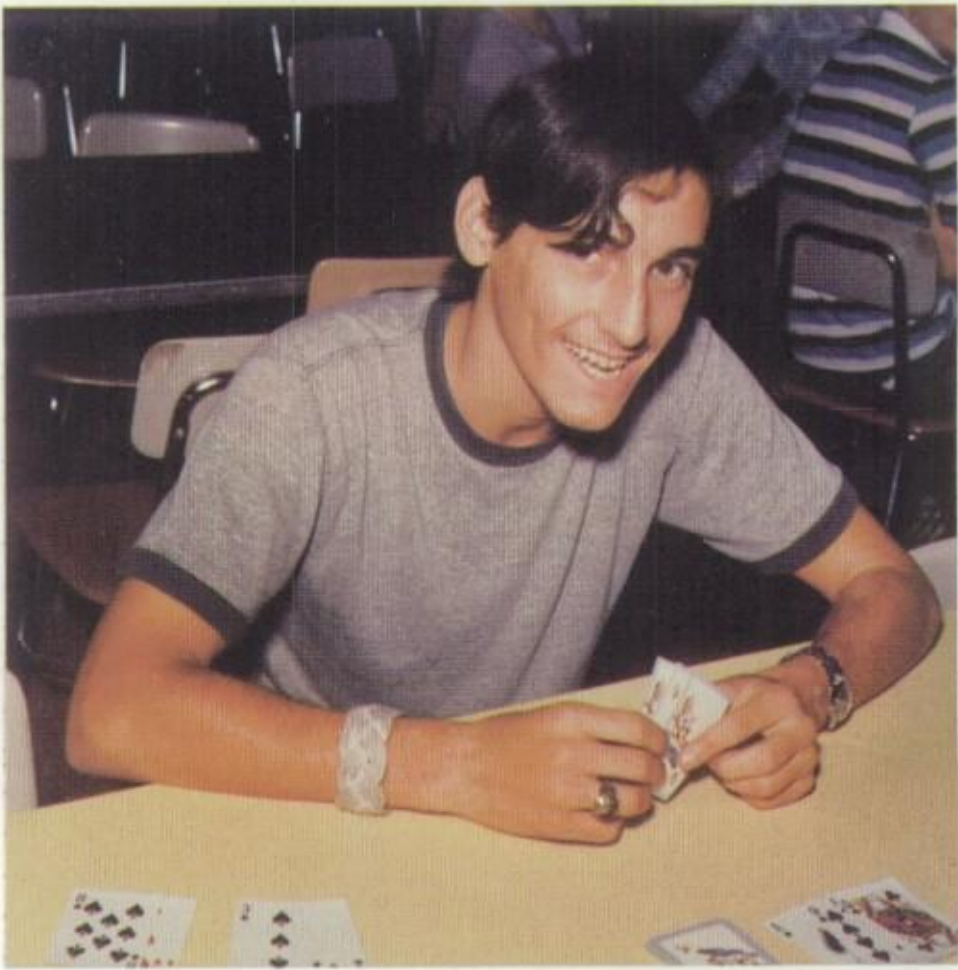

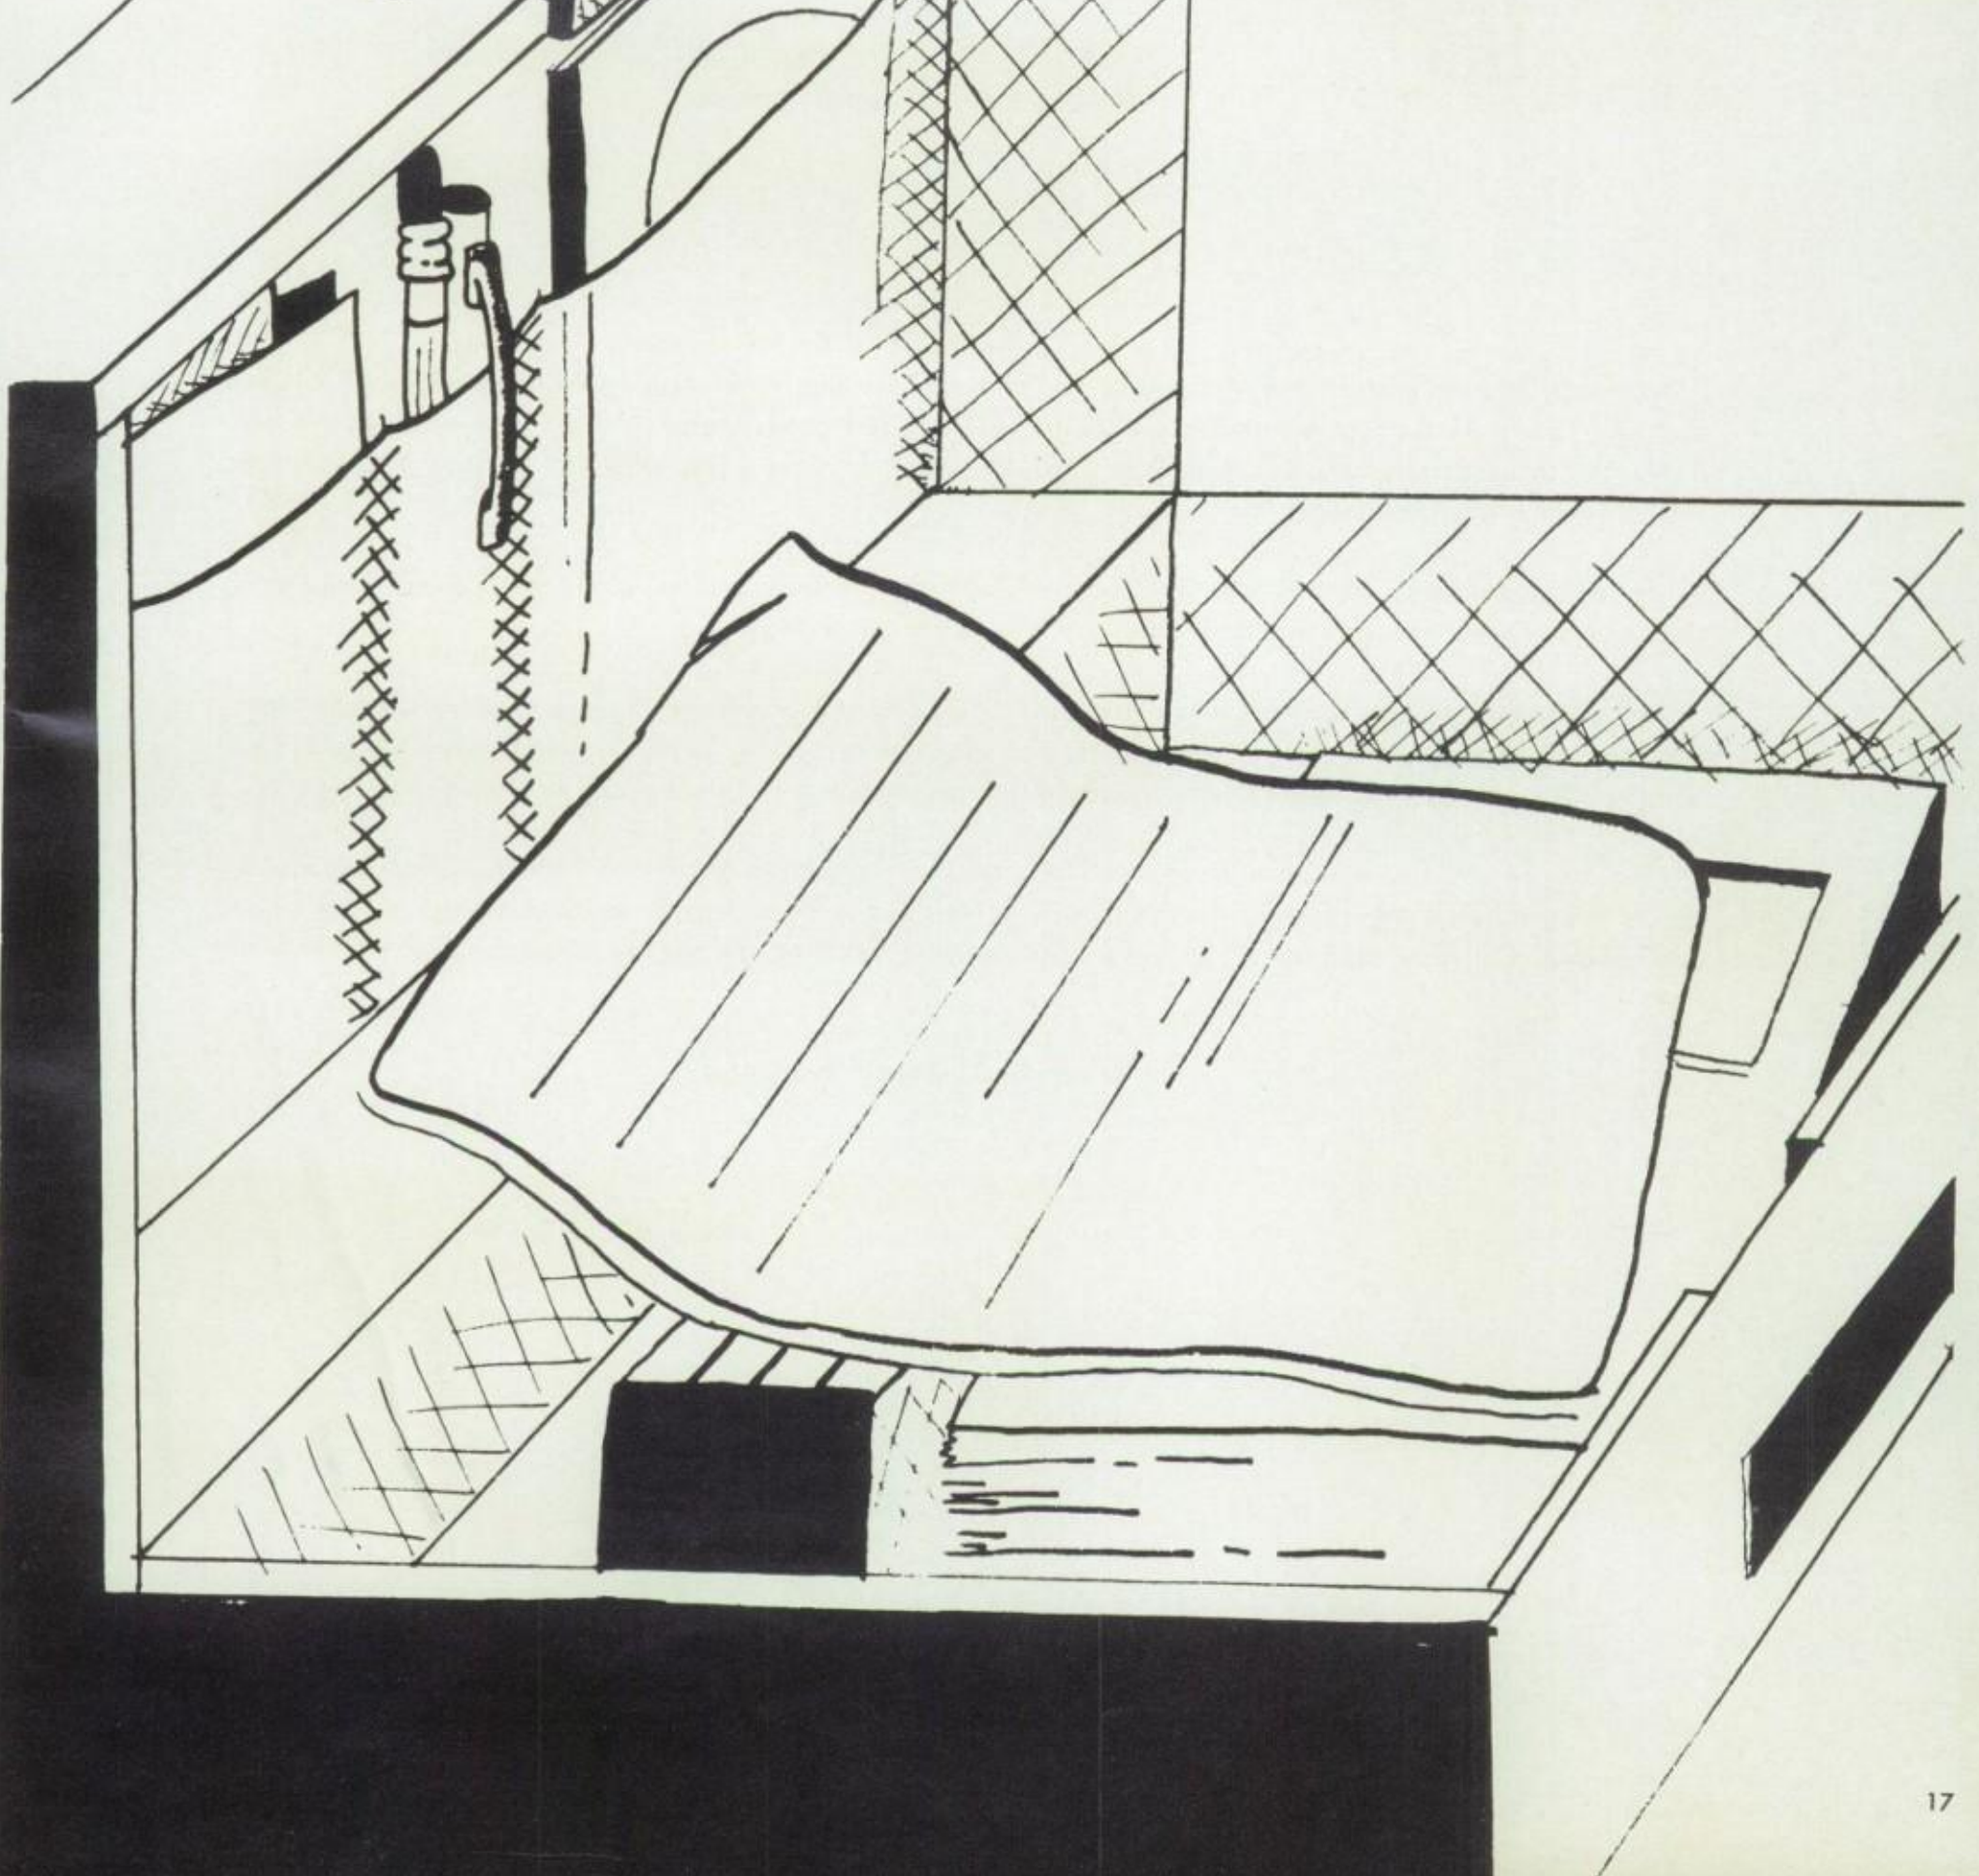

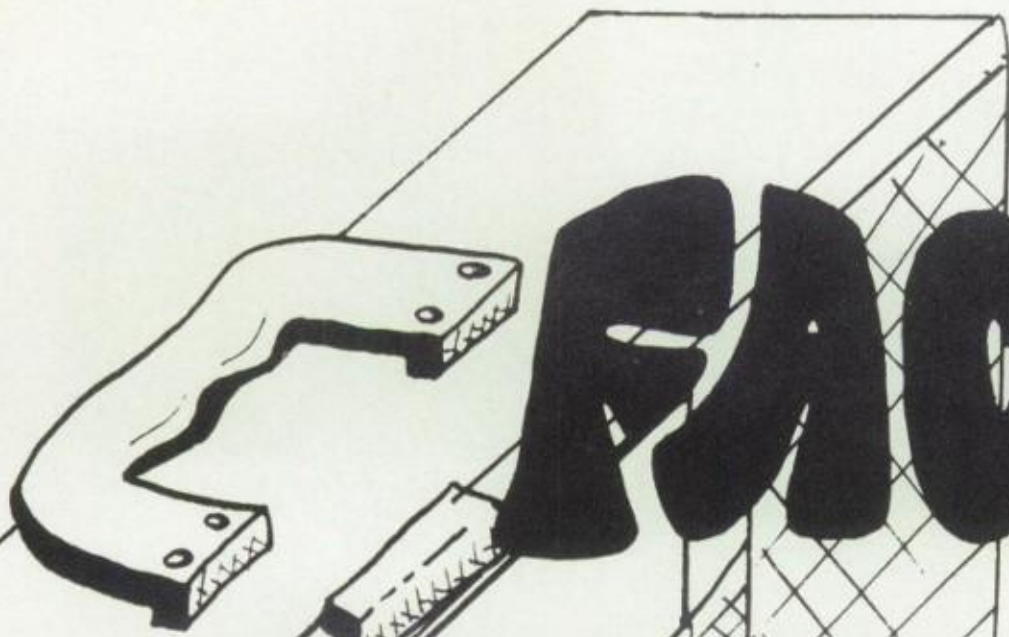

FACULTY

Mr. Edward F. Gallagher, Principal

Your stay at North High began with double sessions and is ending with a return to a more stable school environment. Your patience and growth have added immensely during this time — added to a most positive academic and social atmosphere. I only hope the benefits you have received are equal to the satisfaction that the staff at North has experienced.

I have seen your class become a single motivating unit that has been a tremendous asset to our school. Each class member is to be congratulated for a total contribution to North High.

Most important, to you, is that you are graduates. You now begin to move in more complex surroundings. I know you are capable of success. However, do not allow the prevailing negative attitude over unemployment and the value of higher education thwart your pursuit of personal accomplishment and increased self esteem.

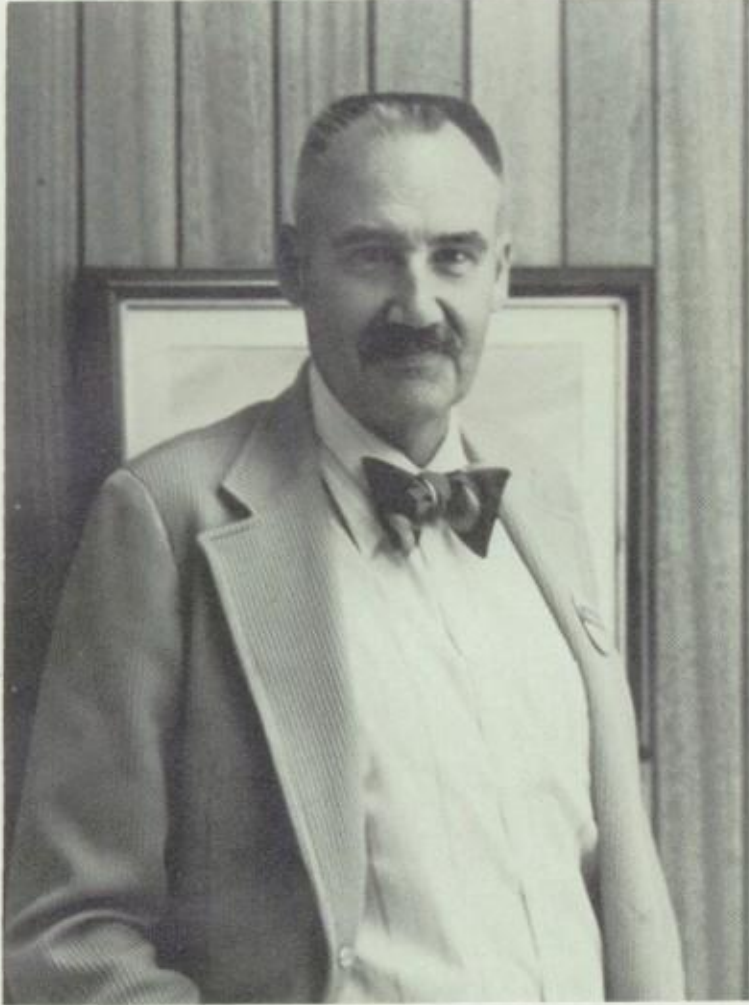

The Class of '77 must accept the responsibility of seeking answers to the myriad concerns of our society. As you have been accountable for your successful stay at North, so will you respond to the challenge of your future. I'm confident that your response will be positive, constructive, and humane relative to the needs of your generation.

My very best wishes to each of you,

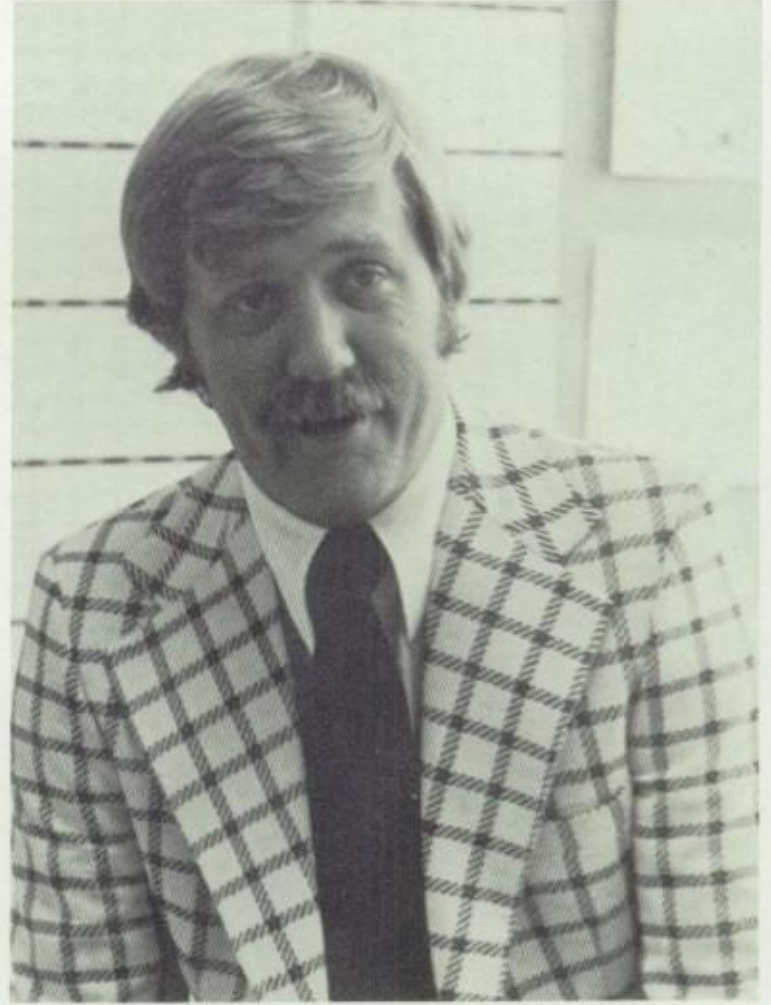

Edward F. Gallagher

COUNCIL

This year has been a very successful one for the student council. There have been many service projects, including collecting for the Salvation Army, helping with the Telethon, and organizing Thanksgiving and Christmas drives. Teachers, students, and athletic teams have given total support to these efforts.

The council also held a fifties dance. There was a great turn out, with everybody having a lot of fun. The student council has shown that helping and caring for others can bring joy and satisfaction to everyone involved.

S E N I O R S

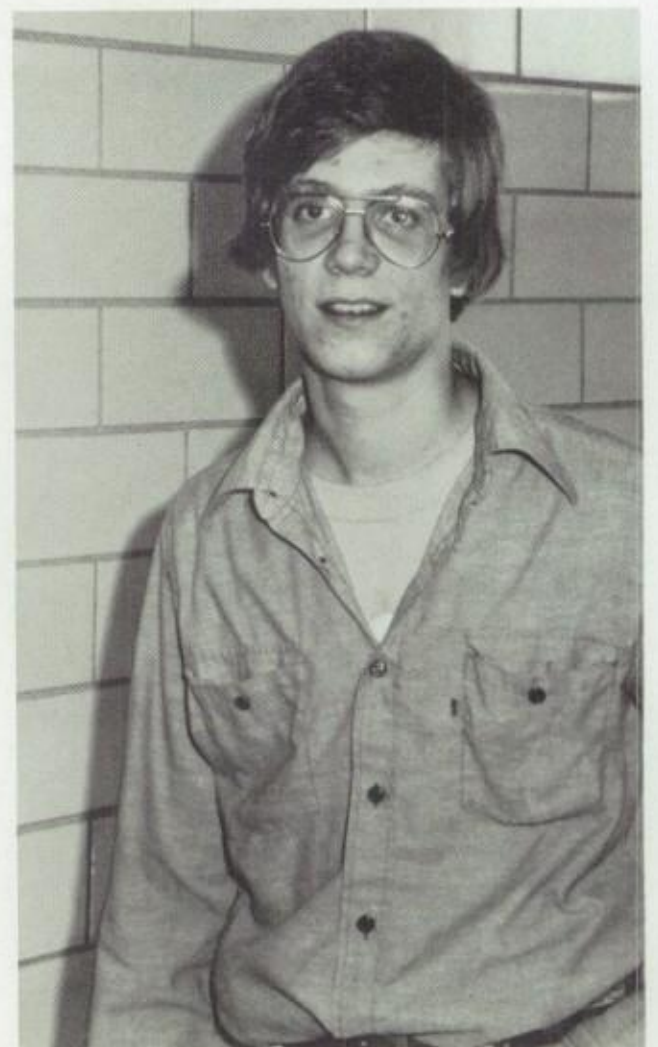

AFS

The American Field Service is an exchange program which provides an opportunity for students from foreign countries to spend a year in the United States. The other aspect of the program, Americans Abroad, enables students from the United States to spend either a year or a summer in a foreign country. The students live with a host family and attend school while abroad.

Trond Valldal, our A.F.S. student from Norway, is enjoying his year in Framingham. He is residing with the Mr. and Mrs. Edward McManus family.

AMERICANS ABROAD

Howie Cohen spent his A.F.S. year in Rio Claro, Brazil. He attended the Instituto Educacional Estadual de 1° e 2° Grans Joaquim Ribeiro.

Even going to parties was part of the learning experience.

Kim Sweeney spent the summer in Cebu City, Philippines as a member of the Dr. Jorge Dosdos family.

She attended St. Theresa's College, an exclusive all girls' school.

"1976 VARSITY BASEBALL"

EASTERN MASS. FINALISTS

The North team hit a record 21 homeruns in just 18 league games. The huge crowds at Winch Park for the two tourney games played at home and the noisy, enthusiastic mob that accompanied the team to Rockland contributed tremendously to the excitement of the games. North High spirit made a great impression on the teams we played. No one who was part of it will ever forget the sunlit spring of '76.

Led by M.V.P. Ricky Hassler, the 1976 team finished league play with an 18-0 record. The Bay State League Champions were also paced by the play of senior co-captains Dave Alpert and Jay Levenson who, along with Hassler, were named to the B.S.L. All-Star Team. In post season play, the tough Spartan team battled its way to become Eastern Mass. Runner-up.

VARSITY TENNIS

The 1976 Bay State League Champions were led by M.V.P. Laura Weisman. Although a singles player during the season, Weisman paired up with Julie Macdonald to win both the Eastern Mass. and State doubles titles. The state champs were named to the All-Scholastic team for their outstanding doubles play. The team compiled an 18-0 record due to the strong play of Robin Schneider and Selma Taygan who, along with Weisman, were named to the B.S.L. All-Star Team. Captains of the 1976 team were Sherry Lurie and Beth Cohen.

LIVE! FROM FRAMINGHAM IT'S SATURDAY NIGHT

NORTH HIGH

Live, From FNHS, It's Saturday Night

The 1976 Jr. Variety Show presented an entertaining series of singers, dancers, and comics. Director, Donna Kearney, and producer, Judy Hertz, selected and arranged the acts along with the MC'S, providing a successful and enjoyable experience for all those participating. A special thanks goes to Mrs. Phillips, faculty advisor.

THE YANKEE DOODLE

As a lively contribution to America's Bicentennial Celebration, the Performing Arts Club presented **THE YANKEE DOODLE**, by George M. Cohan on April 8, 9, 10, 1976. The musical starring Lenny Santamaria as Duke Norton and Donna Kearney as Mary Hurley was an outstanding success. Thanks go to Mr. Schlickman for his excellent direction, and to Mrs. Phillips for her production. The red, white, and blue costumes and the patriotic music put both the cast and the audience in the "Spirit of '76".

In 1957, by joint resolution of Congress and the President, May 1 was proclaimed Law Day U.S.A.

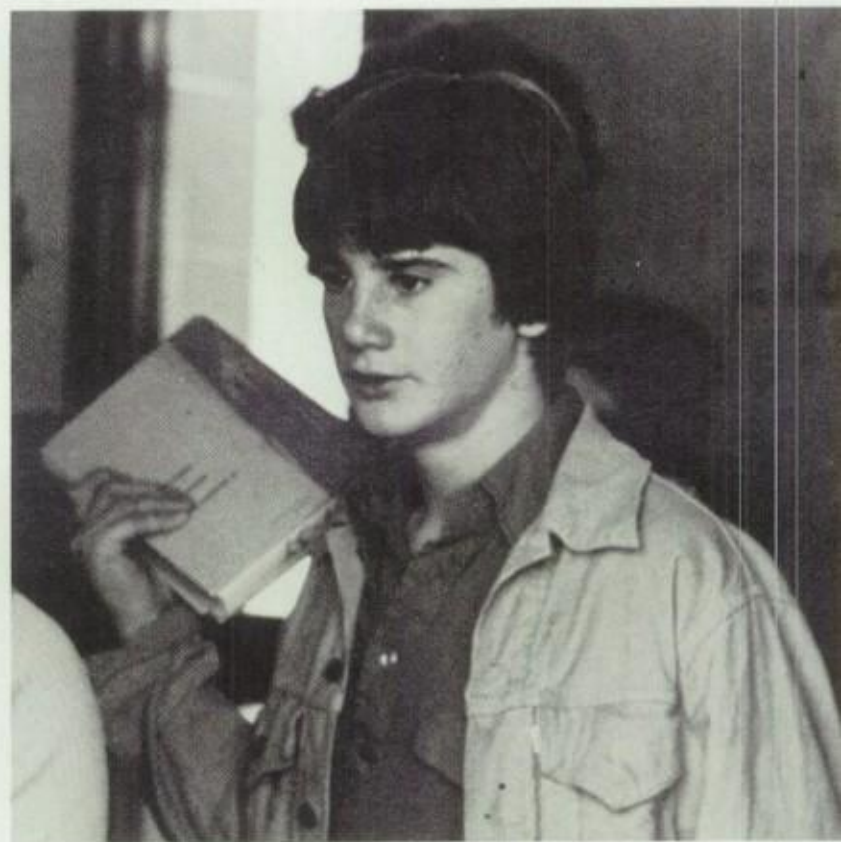

To commemorate this important day locally, the First District Court of Southern Middlesex formulated a program of mock trials. These trials involve area high school students, preferably seniors interested in pursuing legal or law related careers.

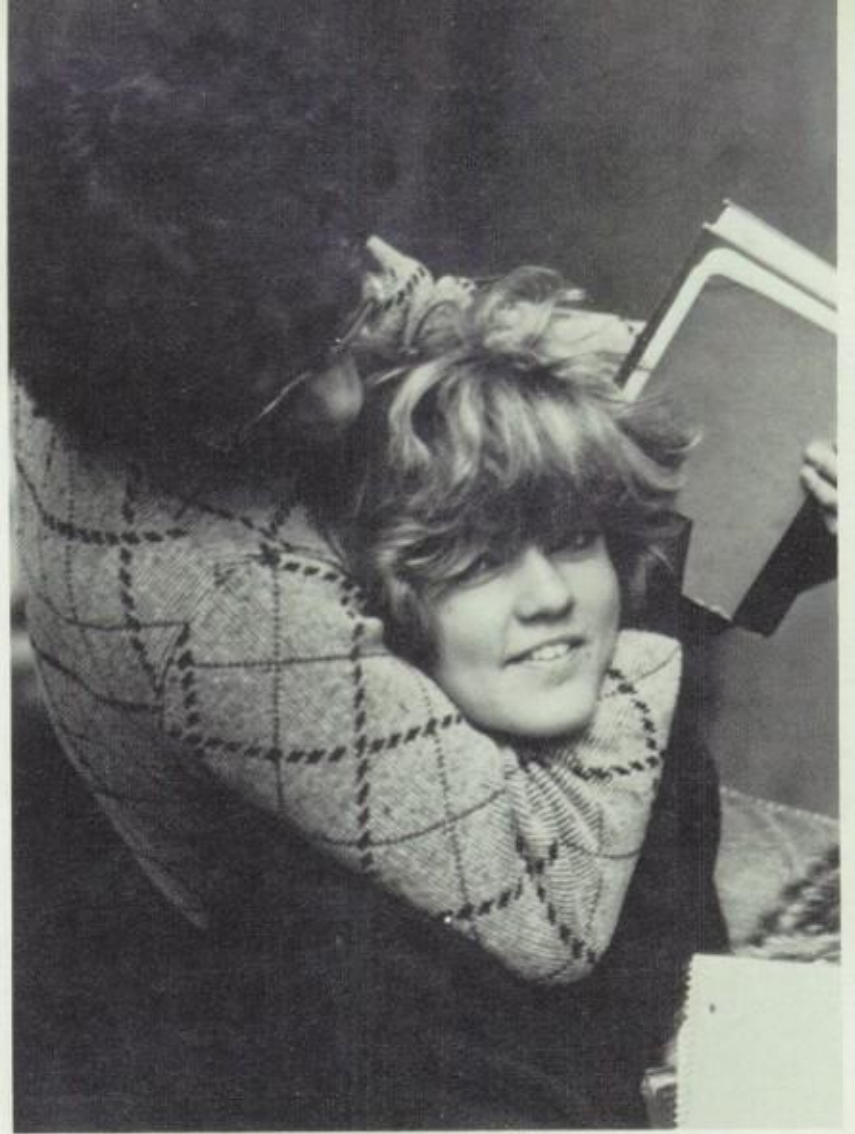

The format calls for a series of elimination contests with the final competition being held on the evening of May 1. The high school team winning the final competition is awarded a scholarship of \$500, and the team finishing second — a scholarship of \$250, and the team finishing third — a scholarship of \$100.

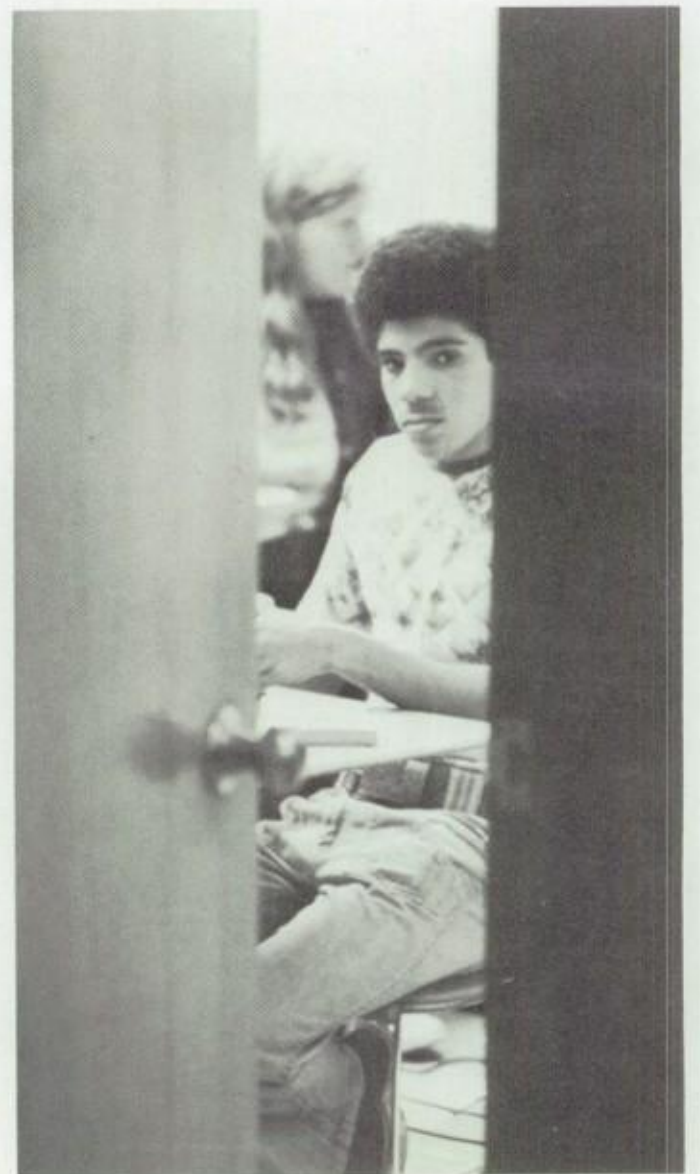

During the past three years, Framingham North students involved in law related programs won scholarships totaling \$1350.

Congratulations to the Class of 1977

We know the sigh of relief that comes at the end of your final exam. Long years of study behind you, and a big wide world ahead.

But even at that it isn't the final test or the end of your learning. The biggest tests still face you in the choice and fulfillment of your life's work. Many plan for college, others will seek positions in industry, trade, business. We, at Dennison, congratulate you on your past accomplishments; if your future plans call for steady employment or summer work, we'll be glad to discuss your problems with you.

Our Employment Department will welcome the chance to outline opportunities existing in our offices, factory, and warehouse.

***And the Youth Said, Speak to
Us of Friendship.***

And he answered, saying;
Your friend is your needs answered.
He is your field which you sow with love
and reap with thanksgiving.
And he is your board and your fireside.
For you come to him with your hunger,
and you seek him for peace.

When your friend speaks his mind you fear not the "nay" in your own mind, nor do you withhold the "ay."

And when he is silent your heart ceases not to listen to his heart;

For without words, in friendship, all thoughts, all desires, all expectations are born and shared, with joy that is unacclaimed.

When you part from your friend, you grieve not;

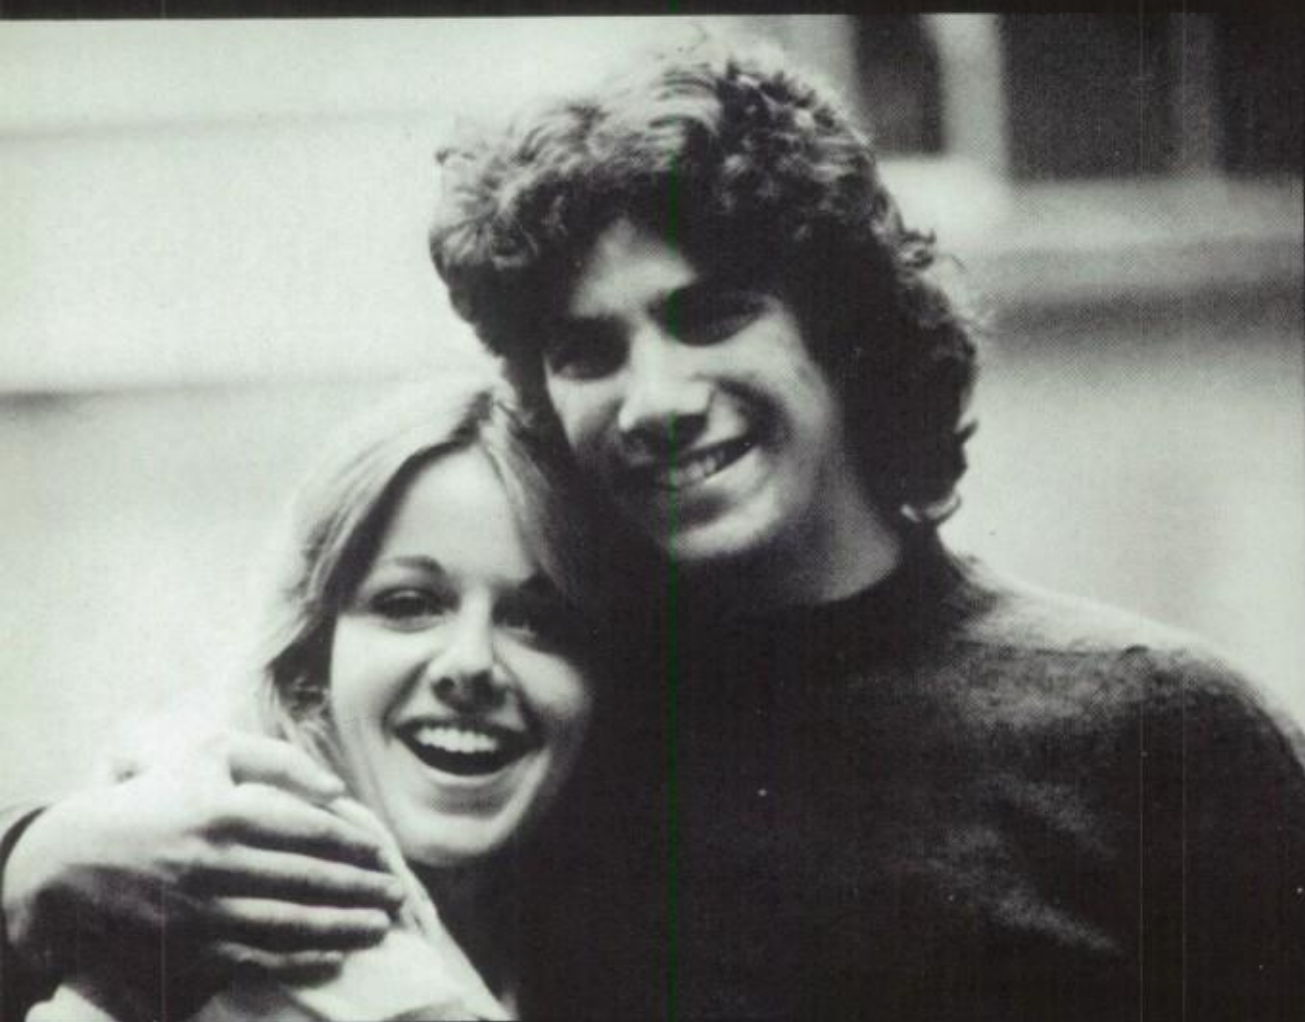

For that which you love most in him may be clearer in his absence, as the mountain to the climber is clearer from the plain.

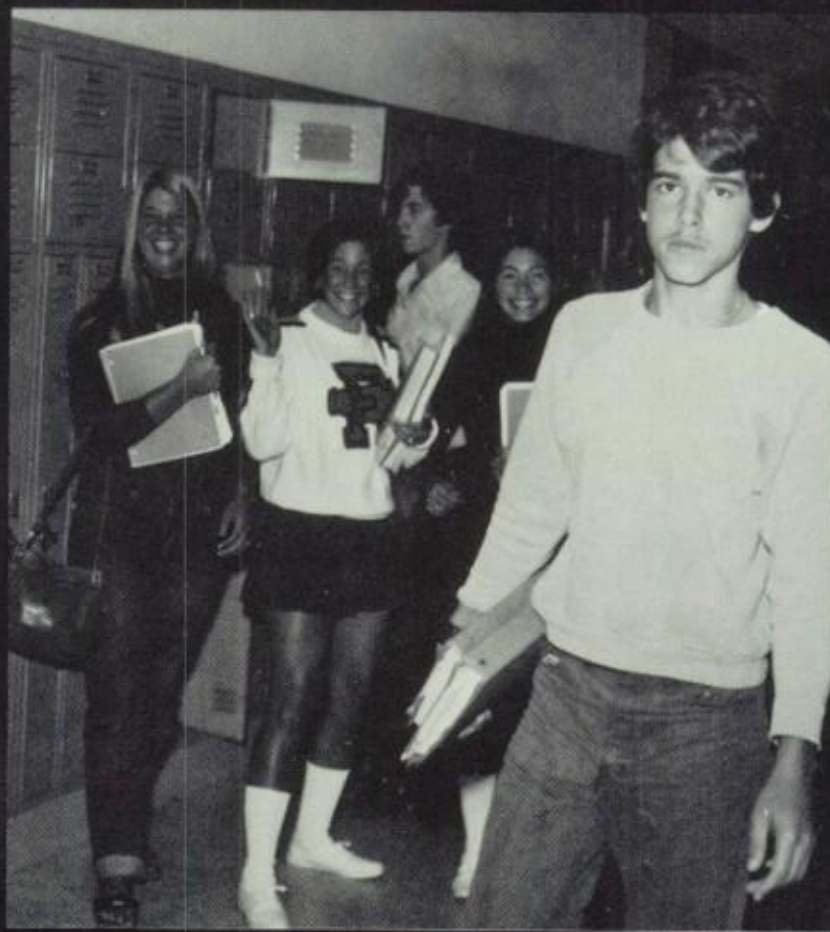

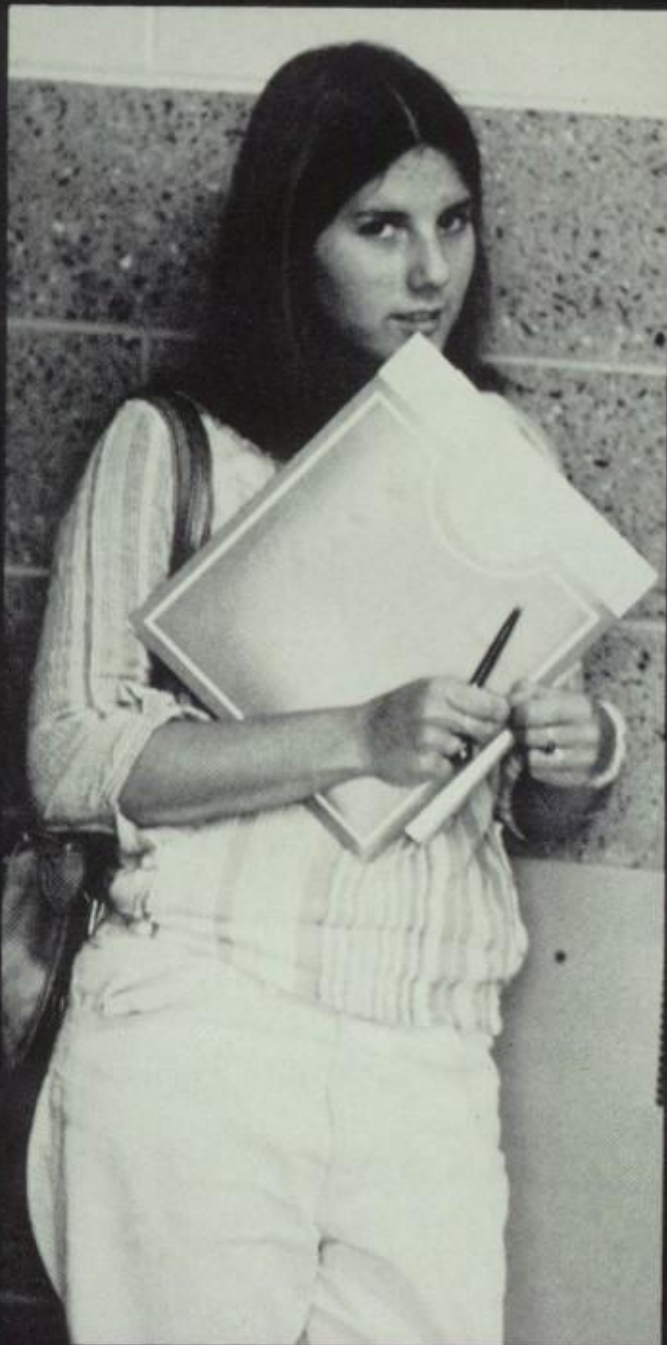

And let there be no purpose in friendship save the deepening of the spirit.

For love that seeks aught but the disclosure of its own mystery is not love but a net cast forth: and only the unprofitable is caught.

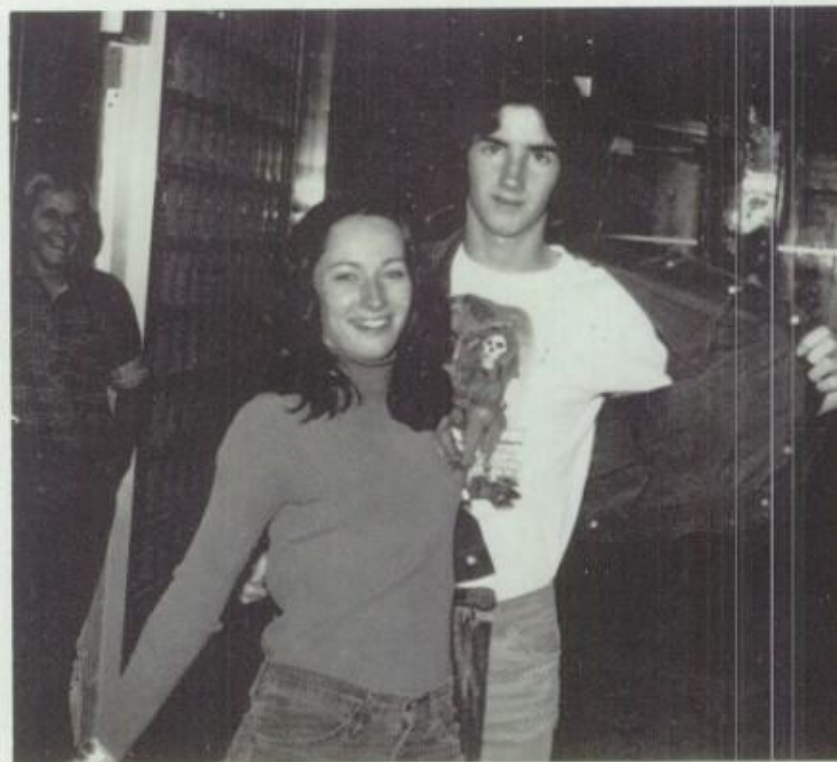

And let your best be for your friend.
If he must know the ebb of your tide,
let him know its flood also.

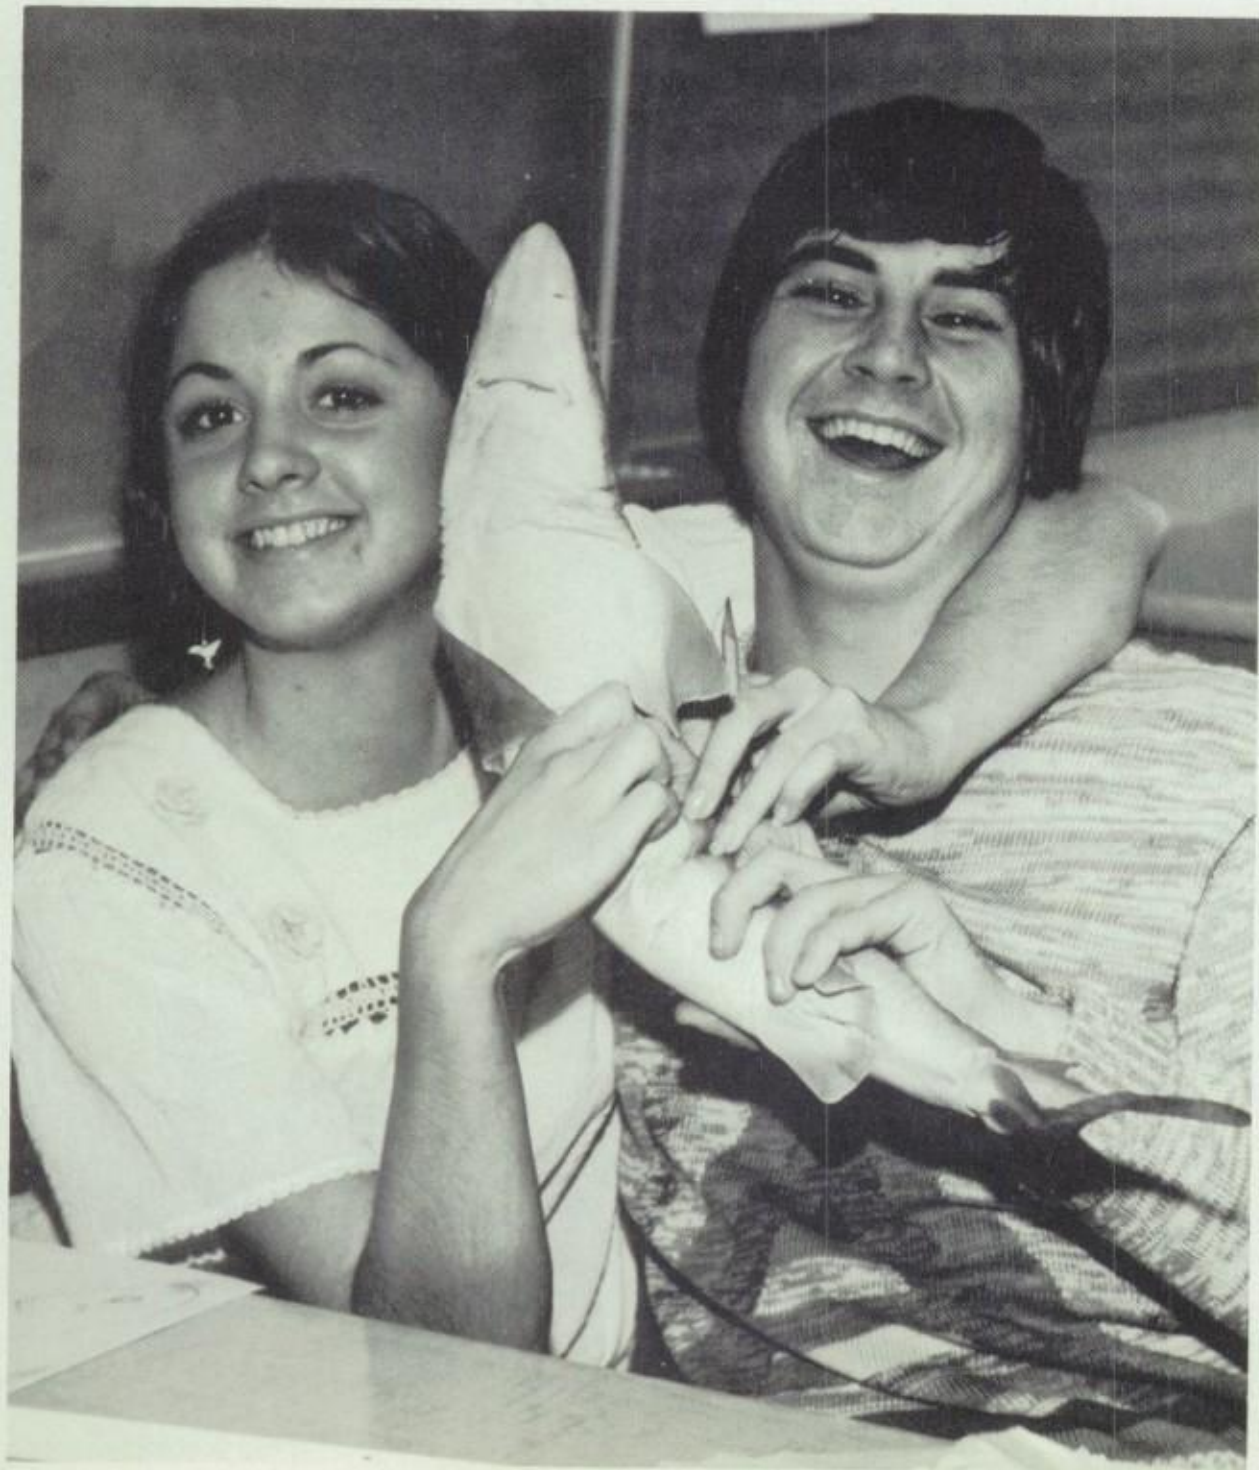

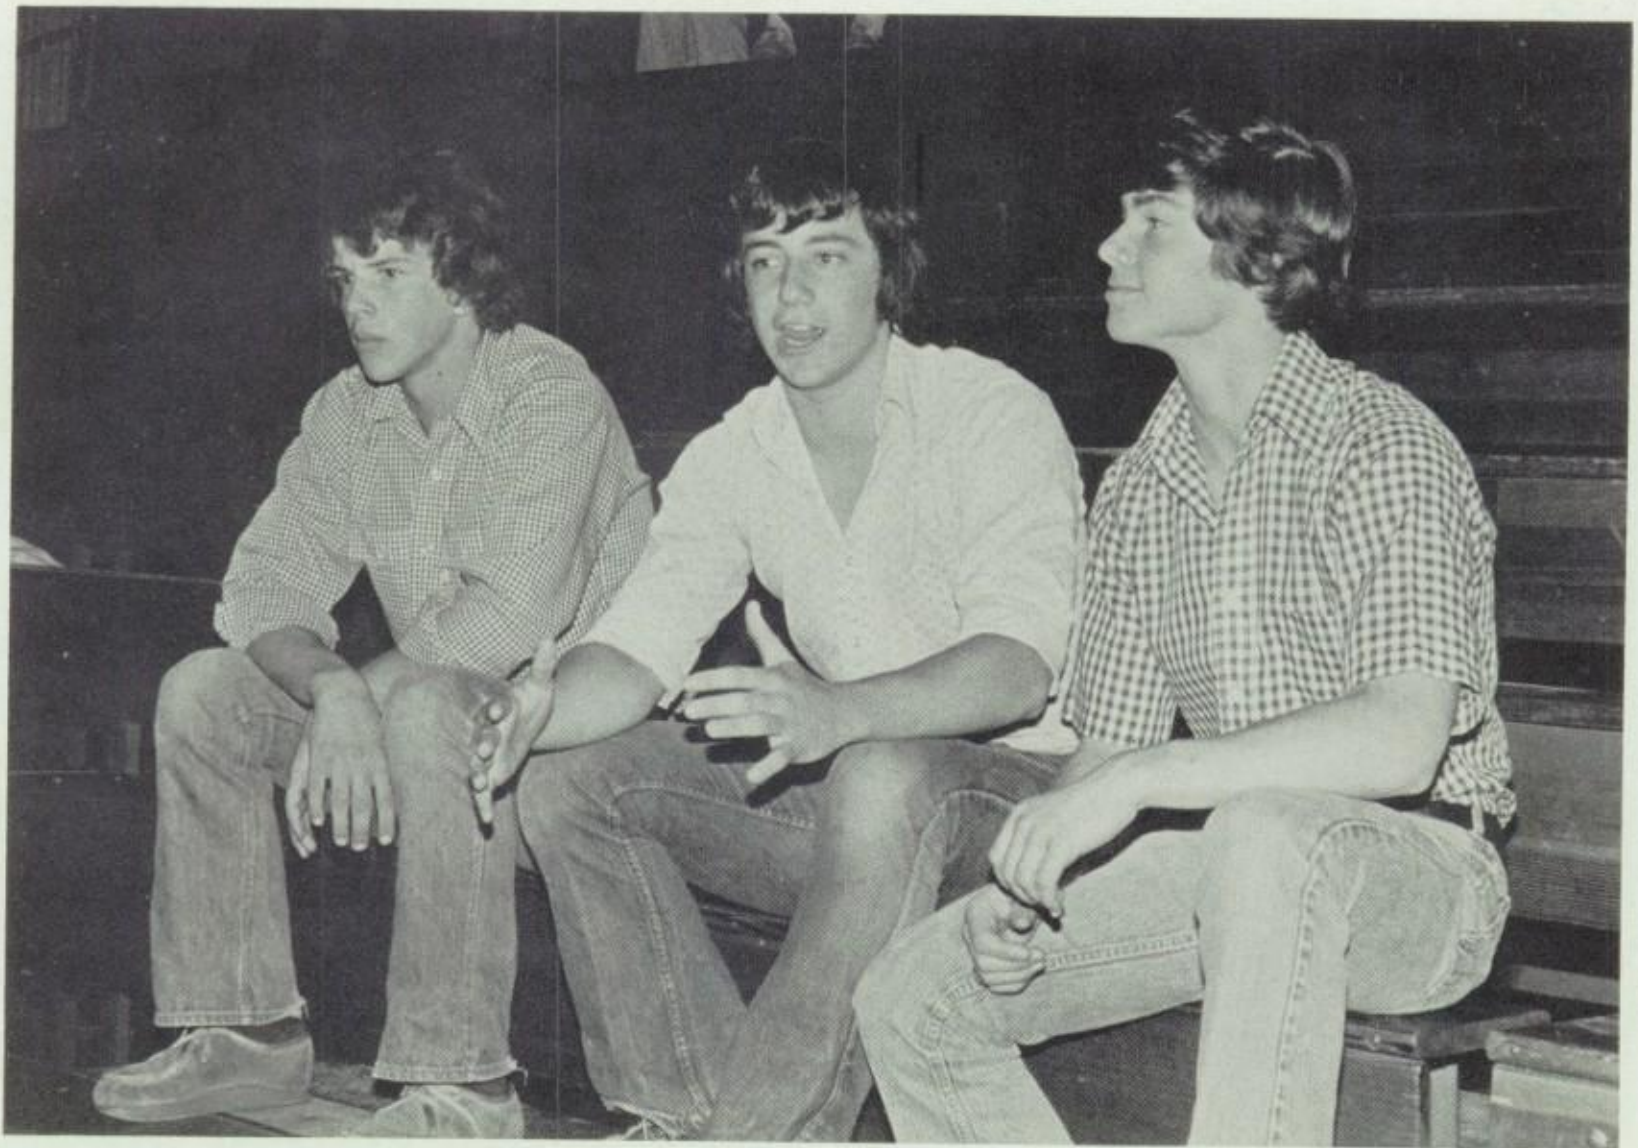

For what is your friend that you should
seek him with hours to kill?

Seek him always with hours to live.
For it is his to fill your need, but not
your emptiness.

And in the sweetness of friendship let
there be laughter, and sharing of pleasures.

For in the dew of little things the heart
finds its morning and is refreshed.
